

# ANALYTICS AND CONTROL

## 2016. Vol. 20, No. 2

### CONTENT

p.

#### REVIEWS

---

|  |     |
|--|-----|
| Hygroscopic gravimetric quantitative analysis. Review<br>A.G. Tereshchenko ..... | 110 |
|--|-----|

#### DEVICES AND METHODS OF CONTROL

---

|   |     |
|---|-----|
| Methodological aspects of U/Pb dating of zircons using multicollector mass spectrometer with inductively coupled plasma Neptune Plus with NWR 213 attachment for laser ablation<br>Maria V. Zaitceva, Alexander A. Pupyshev, Julia V. Shchapova, Sergey L. Votyakov ..... | 121 |
| Investigation of the correlation between the elemental content of grapes and the soil of the region of its growth<br>V.O. Titarenko, A.A. Kaunova, Z.A. Temerdashev, V. G. Popandopulo .....  | 138 |
| Decreasing the uncertainty of chromatographic quantitation by using the solvent as an additional standard<br>Igor G. Zenkevich, Denis V. Prokofiev .....  | 147 |
| Wrong-way-round ionization and hydrophilic liquid chromatography in the analysis of insulin-like growth factors<br>A.Z. Temerdashev, A.V. Gorshenina, E.V. Svetlichnaya, A.V. Labutin .....   | 154 |
| Chromatographic and liquid chromatography-tandem-mass spectrometry determination of first-line anti-tuberculosis drugs in human plasma<br>E.A. Bessonova, L.A. Kartsova, S.A. Soloveva .....  | 161 |
| Determination of the enantiomeric purity of Pemetrexed on the macrocyclic glycopeptides bonded phases<br>E.N. Shapovalova, I.A. Fedorova, A.A. Priporova, I.A. Ananieva, O.A. Shpigun .....   | 168 |

#### INFORMATION

---

|  |     |
|--|-----|
| In memory of a scientist<br>B.D. Kalinin ..... | 175 |
|--|-----|
